Check List for Final Report: Check that you addressed each item and THEN initial it. DO NOT SIGN WITHOUT MAKING SURE WHAT YOU SIGN APPLIES TO YOUR REPORT

1. **Confirm that you read the guidelines sentence by sentence.** LT
2. **Structure of document**: fond, spaces, minimum number of required pages. Font should be 11. Space should be single or 1.15. Margins should be 1in all around LT
3. All **abbreviations** are defined when first appeared LT
4. All **figures and tables** are labeled with numbers and captions. Figure **captions go under the plots** and **table captions above tables**. Make sure you indicate units. LT
5. Figures, tables, diagrams, pictures taken from the web or papers should include the source otherwise it is plagiarism. They cannot be used to fill space LT
6. No text should be copied and paste from anywhere as it is plagiarism. If you quote someone you should put it under "...." and identify the source as a reference but it should not be more than a couple of lines. LT
7. All listed references should be mentioned in text. Use format [1], [2] LT
8. **Grammar and English** should be carefully checked . No report with typos and grammatical errors will be accepted. Check the tenses. Some students tend to use parts of the proposal that uses the words 'I will' , 'I plan' etc. The final report should state what you did not plan to do. LT
9. **All variables in equations should be defined and explained** LT

PLIAGIARISM: *Any identified form of plagiarism will be reported to the University and in addition to receiving no credit for EE590 the graduation of the student may be affected. All past reports are kept and a software program is used to identify overlaps with past reports and literature. If you use figures or tables or diagrams from a website or papers you need to indicate that and include the reference. Projects completed for other courses cannot be used for EE590.* ***All reports will be tested using a plagiarism software.***

I confirm that my proposal/report abides with the above guidelines and no material was copied from any source that is not indicated in the report and referenced accordingly.
